

CLASSIC CITY WOODTURNERS
Minutes from Meeting
June 27, 2011

I. Greeting and Introduction

A. Walter McCrae opened the meeting for President Grant and announced that Jerry Chandler had an accident and would be replaced by Mike Peace who very graciously substituted for Mr. Chandler on very short notice.

B. Walter announced the meeting in July 25 includes Leigh Brooks who will demonstrate carving.

II. Old Business

A Walter thanked all the members who contributed to the Athens/Clarke and Oconee Library displays. Donated items were returned to owners. Feedback from the community was very positive and the club may see several new members added because of the exposure provided by the library displays.

III. New Business

A Walter and Lynn Reece reported on publicity committee activities. Lynn stated that the Statham Farmers Market is looking for people to demonstrate woodturning. The available dates are July 16, July 30, August 6, August 13, and August 27. The market is open 8:00-11:00am. Electricity and a white 10x10 tent will be provided for the demonstration booth. The selling of handmade items and promotion of the CCW club and/or the individual demonstrating is highly encouraged. Please contact Cyndi Ball to secure a date(s). Cyndi can be reached at 770 289-2301 or by email at Cyndi@thelazyfarm.com.

IV. Demonstration: Our demonstrator for the June 27th meeting was Mike Peace who demonstrated in lieu of the injured Jerry Chandler.

Respectfully submitted,

Bill Gohdes, Secretary
